

Dr Raouf
Farag

Dr Raouf Farag, FRANZCOG, M.B.B.Ch, AMCC, specialises in providing a full range of obstetrics, gynaecology and fertility care to Central Coast women and their families.

Dr Farag offers private, full antenatal and postnatal care for routine, multiple, high risk and IVF pregnancies. He is particularly interested in ensuring local women have access to superior support and care when it comes to childbirth choices and experiencing a personalised birthing experience where possible.

Undertaking specialist training at John Hunter Hospital in Newcastle and at Westmead Hospital in Sydney, Dr Farag is a Fellow of the Royal Australian and New Zealand College of Obstetricians and Gynaecologists. He is also a member of the Fertility Society of Australia (FSA), Australian Gynaecological Endoscopy Society (AGES), and Australian Association of Vaginal and Incontinence Surgeons (AAVIS).

Dr Farag treats all aspects of Gynaecology and Obstetrics including:

- Multiple births/breech
- Urogynaecology
- Hysterectomies
- Hysteroscopy
- Colposcopy
- Urinary incontinence
- Pelvic floor prolapse
- Uterine fibroid
- Polycystic Ovary Syndrome (PCOS)
- Ovarian Cysts
- Infertility
- Endometriosis
- Normal deliveries, VBAC (vaginal birth after caesarean), assisted deliveries and caesarean section births.
- Postnatal management and care
- Ovulation induction
- Laparoscopic surgery
