

2023 New Graduate Midwifery Program – Open for applications

Gosford Private Hospital is inviting the next generation of Midwives to join the Central Coast's only private obstetric unit as part of the New Graduate Midwifery Program.

The program provides graduates with the opportunity to strengthen their midwifery skills within a supportive and highly experienced team dedicated to women-centred care.

The premier, purpose-built Gosford Private Maternity Services ward includes 12 plush postnatal suites including pull down Murphy Beds and three spacious, exquisitely appointed birthing units including immersion bath, monsoon shower and partner accommodation.

The unit comprises of a team of 12 Obstetric, Paediatric and Neonatology specialists as well as an experienced team of dedicated Midwives and mother craft nurse who are passionate about woman centred care.

About the opportunity:

Successful applicants will achieve a diverse range of skills across the Birthing Unit, Antenatal/Postnatal Ward, Special Care Nursery and Complex Care Day Assessment Unit. The program will encompass and develop skills of facilitation with exciting new postnatal programs.

Essential criteria:

- Registration with Australian Health Practitioner Regulation Agency (AHPRA) as Registered Midwife (obtained by 2023).
- Current Working with Children Check, National Criminal Record Check and up to date vaccination history.
- Ability to practice women-centred care with highly developed communication techniques.
- Ability to demonstrate evidenced based practice.

To Apply:

Please include your CV with a cover letter which addresses our 5 hospital values and how you ensure you observe our hospital values within your midwifery practice. Our hospital values demonstrate our commitment to women-centred care and are listed below:

- Best Experience
- Best Practice
- It's Personal
- Positive Energy
- Respect

Applications close: Friday 28th October
