

2022 New Graduate Midwifery Program

Applications are now open for the 2022 New Graduate Midwifery Program at Gosford Private Maternity Services.

Successful applicants will achieve a diverse range of skills across the Birthing Unit, Antenatal/Postnatal Ward, Level 2 Special Care Nursery and Complex Care day Assessment Unit.

The new graduate midwifery program will provide the next cohort of midwives with an ability to demonstrate and deliver woman centred care.

Essential Criteria include:

- Registration with Australian Health Practitioner Regulation Agency (AHPRA) as Registered Midwife (obtained by 2021).
- Current Working with Children Check, National Criminal Record Check and up to date vaccination history.
- Ability to practice women centred care with highly developed communication techniques.
- Ability to demonstrate evidenced based practice

To apply:

Please include your CV with a cover letter which addresses our five hospital values and how you ensure you observe our hospital values within your midwifery practice. Our hospital values demonstrate our commitment to woman centred care and are listed below:

- Best Practice
- It's Personal
- Positive Energy
- Respect
- Best Experience
